

Benoni Escinder

Addis Ababa, Ethiopia | +251970411545 | besckinder@gmail.com
| [LinkedIn](#) | [GitHub](#) | [Telegram Channel](#) (if you're interested... or bored)

Education/Certifications

- ★ *ALX SE certifications powered by Holberton*
..... February, 2023 - July 2024

Full-stack engineer with specialization in Front-end development ([link](#)).

- ★ YYAS Certificate

..... July, 2021

Yale Young African Scholars program from [Yale University](#) ([link](#)).

Projects

TimeCraft ([Github](#))

- ❖ Made use of [React](#), [CSS](#), [Python](#) ([OOP](#), [Flask](#), [SQLAlchemy](#), [MySQL](#)) to design and develop a full-stack app that:
 - logs productive time, wasted time and total time on task.
 - [handles multiple users](#) with [multiple tasks](#) and can give you daily, weekly and monthly reports.

Fresh-Fetch ([Demo](#)) ([Github](#))

- ❖ Handled frontend development for a grocery delivery app using [React](#), [CSS](#), and [RTL](#).
- ❖ Was also in charge of [handling the integration of the API](#) made with DRF (with the support of the backend engineers of course).

Skills and Interests

Programming Languages:

- [Front-end](#): JavaScript/TypeScript, HTML/CSS
- [Back-end](#): Python, SQL(MySQL/PostgreSQL)
- [Other](#): C, C++

Frameworks and Libraries:

- [React.js](#)
- [SASS/SCSS](#),

- Flask
- Django
- FastAPI.

Additional skills:

- unittest
- React Testing Library(RTL)
- Enzyme
- Shell scripting
- Puppet
- Server configuration(Nginx/Apache)

Languages:

- English (fluent)
- Amharic (fluent)
- Spanish (fundamental)
- Arabic(fundamental)
